III. JURISDICTION AND VENUE

19. This is an action for patent infringement which arises under the Patent Laws of the United States, in particular, 35 U.S.C. §§271, 281, 283, 284, and 285. This Court has jurisdiction over the subject matter of this action under 28 U.S.C. §§1331 and 1338(a).

20. This Court has personal jurisdiction over each of the Defendants, and venue is proper in this Court pursuant to 28 U.S.C. §§1391(b), (c), and 1400.

IV. PLAINTIFF'S '551 PATENT

21. The '551 Patent relates to automated cellular communication systems. In accordance with the '551 Patent, a system is provided in which efficient handoff occurs between multiple base stations with respect to which a portable device such as a cellular handset is in communication range. If the mobile device detects a pilot channel signal from another base station that is sufficiently stronger than that of the current base station and other circumstances indicate a handoff is advantageous, the mobile device determines that an idle handoff should occur and effects such a handoff.

22. CNS holds all substantial rights in and to the '551 Patent, including all rights to recover for all past and future infringements thereof.

VI. DEFENDANTS' ACTS

MetroPCS

23. MetroPCS provides, makes, uses, sells, offers for sale, and/or distributes infringing systems. The infringing systems include, for example, LTE (4G) phones and other devices deployed with Huawei including, but not limited to the Aactiva 4G, and with ZTE, including the Anthem 4G. With knowledge of the '551 Patent, MetroPCS provides related services and instructions for the infringing operation of such systems to its customers.

24. Through its actions, MetroPCS has directly infringed the '551 Patent and actively induced others including its customers to infringe and contributed to the infringement by others of the '551 Patent throughout the United States.

25. CNS has been and will continue to suffer damages as a result of Defendant MetroPCS's infringing acts unless and until enjoined.

Huawei

26. Huawei provides, makes, uses, sells, offers for sale, and/or distributes infringing systems. The infringing systems include, but are not limited to, for example, LTE (4G) phones and other devices deployed with MetroPCS, including the Aactiva 4G. With knowledge of the '551 Patent, Huawei provides related services and instructions for the infringing operation of such systems to its customers.

27. Through its actions, Huawei has directly infringed the '551 Patent and actively induced others including its customers to infringe and contributed to the infringement by others of the '551 Patent throughout the United States.

28. CNS has been and will continue to suffer damages as a result of Defendant Huawei's infringing acts unless and until enjoined.

ZTE

29. ZTE provides, makes, uses, sells, offers for sale, and/or distributes infringing systems. The infringing systems include, for example, LTE (4G) devices deployed with MetroPCS including, but not limited to the Anthem 4G. With knowledge of the '551 Patent, ZTE provides related services and instructions for the infringing operation of such systems to its customers.

30. Through its actions, ZTE has directly infringed the '551 Patent and actively induced others including its customers to infringe and contributed to the infringement by others of the '551 Patent throughout the United States.

31. CNS has been and will continue to suffer damages as a result of Defendant ZTE's infringing acts unless and until enjoined.

COUNT ONE
PATENT INFRINGEMENT—U.S. PATENT NO. 6,195,551

32. Plaintiff CNS realleges and incorporates herein paragraphs 1–31.

33. Defendants have directly infringed the '551 Patent in violation of 35 U.S.C. §271(a) by making, using, selling and/or importing infringing products and/or providing infringing services in violation of the '551 Patent.

34. Defendants have indirectly infringed the '551 Patent by inducing the infringement of the '551 Patent and contributing to the infringement of the '551 Patent in violation of 35 U.S.C. §§271(b) and (c), including by their respective customers. Defendants have provided infringing handset assemblies to their customers and instructed them to assemble and use them in an infringing manner.

35. Upon information and belief, Defendants have jointly infringed the '551 Patent, including by controlling, instructing and/or directing others to perform one or more of the claimed method steps.

36. Defendants' aforementioned acts have caused damage to CNS and will continue to do so unless and until enjoined.

VII. JURY DEMAND

37. Plaintiff CNS hereby demands a jury on all issues so triable.

VIII. REQUEST FOR RELIEF

WHEREFORE, Plaintiff CNS respectfully requests that the Court:

- A. Enter judgment that each Defendant infringes one or more claims of the '551 Patent literally and/or under the doctrine of equivalents;
- B. Permanently enjoin each Defendant, its agents, servants, and employees, and all those in privity with each Defendant or in active concert and participation with any of the Defendants, from engaging in acts of infringement of the '551 Patent;
- C. Award Plaintiff CNS past and future damages together with prejudgment and post-judgment interest to compensate for the infringement by Defendants of the '551 Patent in accordance with 35 U.S.C. §284, and increase such award by up to three times the amount found or assessed in accordance with 35 U.S.C. §284;
- D. Award Plaintiff CNS its costs, disbursements, attorneys' fees;
- E. Award Plaintiff CNS prejudgment and postjudgment interest to the maximum extent provided under the law; and
- F. Award Plaintiff CNS such further and additional relief as is deemed appropriate by this Court.
